they belong as cash grants. But no godi seems to have been levied on the lands the Dy. Comr., Chitaldrug st., states that only quit-rent is being, levied on the lands. A tabular statement, giving details of the lands forworked by the Dy. Amildar of Harihar, also shows that only quit rent is being levied on the land. The word "godi" mentioned in the penultimate line of the paper under disposal is perhaps a mistake for quit rent.

GENERAL DEPT. 15 JUNE 1936

SIR,

Cancellation of the inam tenure of certain lands in Harihar Sub Taluk.

I have the honor to forward herewith a copy of letter No. 5-C.201/32-35 dated 25th May 1936 together with the records received from the Deputy Commissioner, Chitaldrug District, recommending that for reasons explained the tenure of the lands detailed in the Deputy Commissioner's letter which are still being shown as devadaya and in respect of which full assessment is being recovered for 30 years may be cancelled. As the persons now in possession are not willing to give up the lands in favour of the temples, I request that approval of Government may be obtained to the Deputy Commissioner's recommendation.

2. As the exact circumstances under which the lands were forfeited to Government are not known and as such forfeiture was to the prejudice of the temples concerned and as puja and other services in all the temples except Vaderahalli Hanumanthadevaru which is endowed with .No.2 are said to be satisfactorily rendered, I recommend that the difference between the jodi and the assessment may be kindly endowed to the respective temple as cash grant with effect from 1936-37.

I have the honor to be,
Sir,
Your most obedient servant,

K V Ananthanarayanan

Muzrai Commissioner.

Letter No.A5-1.301/30-35 dated 25-5-35 from the Deputy Commissioner, Chitaldrug District, to the Musical Commissioner in Mysore.

Subject:- Cancellation of the inam tenure of certain Devadaya lands which are not in force for a long time.

I have the honor to state that the lands mainly owned under the 12 villages shown in the printed quit rent register (1901 edition) as devadaya inam lands. In the village accounts, however, it is reported that they are recorded as shown for the past 30 years and more as sirkar Survey Nos. being in the khata and enjoyment of private persons un-connected with the temples concerned.

The Survey Superintendent, to whom a reference had been made in the matter, has stated in his order to the Deputy Amildar dated 13-12-1932 that there are no references in his office to show that the inam tenure of any of these lands has been cancelled. He has further suggested in his communication No.234/30-5-1932, that Government sanction might be obtained for the cancellation of the inam tenure which has not been in force.

From local enquiries, it is ascertained that in the years Babu and Eswar the jodi payable on these lands fell into arrears and the lands were consequently forfeited to Government along with several other lands of the respective villages and later on disposed of under the Darkhast Rules. They have also since changed hands more than once.

The present holders of these lands are quite against the proposal to give up the lands even if they are offered the value thereof. The villagers are also unwilling and plead their inability to pay the price thereof and save the lands for the benefit of the temples.

As the devadaya inam tenure of these lands has not been in force for over 30 years and the full assessment therein is being collected, I request that formal orders of Government may kindly be obtained for the cancellation of the inam tenure and instructions issued to the Director of Land Records to effect necessary changes in the Inam and Survey accounts of his office.

The file of correspondence bearing on the subject is enclosed for perusal.
